

Written Exercise – Chapter 5

SmartTruckRoute is a truck route navigation app that provides accurate and safe routes for truck drivers. The app offers a free two-day trial followed by several paid plans for both iOS and Android devices. For iOS devices, they offer a three-month plan for \$32.99, a one-year plan for \$74.99, and a three-year plan for \$179.99.

Trucker Path is an app that finds truck stops, parking, weigh stations, fuel prices, truck washes, navigation, and more. It is available on iOS and Android devices. They offer several different plans for companies with three or more trucks, drivers/owner ops with one to two trucks, and owner ops/dispatchers. The individual driver plan is \$29.99 a month and all plans offer a free trial.

Trucker Guide is an app to find DOT weigh station locations, street cameras, and navigation. It is available on iOS and Android devices. They offer a free seven-day trial, then a \$14.99 monthly plan, a \$79.99 six-month plan, and a \$149.99 annual plan.
